

SCAN=>IT[®]

PATRIOT FLUID POWER INTEGRATED ACQUISITION TECHNOLOGY

SCANNING = EQUALS > GREATER

- Cost Savings
- Order Accuracy
- Flexibility
- Productivity
- Inventory Management
- Organization

Using **SCAN=>IT** makes inventory reordering quick, easy and accurate! Manual entry of part numbers is no longer required, however, **SCAN=>IT** is so flexible, manual entry is still possible!

Other benefits of using **SCAN=>IT**:

- Detailed reporting capabilities to improve inventory management and processes
- Integration with current ERP software
- No additional hardware costs, no additional equipment required
- Electronic copy of orders and CSV order acknowledgements

Please contact us to set up your SCAN=>IT log-in!

**Works with any Tablet
or Smart Phone!**
