

Don't just filter your oil-Clean it!

Patriot Fluid Power is proud to partner with COMO Filtration. A trusted leader in filtration for over 35 years! Like Patriot, COMO is a family-owned, **USA-made** company. Patriot and COMO can assist your company with **GREEN** initiatives by helping you **clean** and **Recycle**  your oil!

Our Oil Cleaning Depth Filtration and Water Removal Systems provide the cleanest oil possible for your day-to-day needs. **As low as 1 micron & 20 ppm water!**
Every filter can hold 20 lbs of dirt & 1 gallon of water!
